

Visiting Professorship Pelvic Floor Disorder Symposium with Philippe Zimmern

Wednesday 22nd & Thursday 23rd February 2012
Clinical School, Addenbrooke's Hospital, Cambridge

Dr Zimmern, MD is currently a Professor of Urology at the University Texas Southwestern Medical Center at Dallas and the Director of the Bladder and Incontinence Treatment Center.

He has co-authored over 160 publications, 40 book chapters, and 10 films on female urology reconstructive procedures related to the management of incontinence and vaginal prolapses. He has edited textbooks on Female Pelvic Reconstructive Surgery (2003) with Professor Stuart Stanton, on Multidisciplinary Management of Female Pelvic Floor Disorders (2006) with Drs. Chapple, Brubaker, Smith and Bo, and on Vaginal Surgery for Incontinence and Prolapse (2006) with Drs. Norton, Haab and Chapple.

This symposium will be of interest to anyone who sees and manages patients with pelvic floor problems. Keynote lectures by Mark Slack, Rohna Kearney, Nikesh Thiruchelvam, Suzanne Biers, Ralph Webb and Philippe Zimmern.

Sponsored by BJU International

Course Organiser: Mr Nikesh Thiruchelvam
Consultant Urologist, Addenbrooke's Hospital, Cambridge
